November 2008

To Our Neighbors and Friends in Palm-Aire:

The Palm-Aire Civic Association is conducting its annual membership campaign and dues drive to enroll continued support for its activities and operations for the coming year.

The By-laws of our civic association lists these "Purposes," among other provisions: "To provide for the protection of rights of the unitowners and residents ...;" "... to do any and all things appropriate and necessary for the welfare, interest, benefit and property rights of unitowners and residents ...;" "... to represent the membership and take appropriate action as may protect their interests in mutual social, economic and political activities with regard to our community and all governmental authorities"

RECENT PACA ACTIVITIES:

- Inform the community about issues affecting Palm-Aire and surrounding areas.
- Support turn lane at Publix
- Support the bike path built on Palm-Aire Drive West.
- Express views on matters of common interest at City Commission meetings.
- Beautification of Powerline Road and streets adjacent to Palm-Aire.
- Enhanced police presence in Palm-Aire.
- Seating members on municipal advisory boards and committees.
- Interviews and non-partisan recommendations of candidates for local public offices and voting on referendum questions presented at elections.
- Holding monthly open meetings for community input and providing information about current developments in condominium and local political and civic affairs.

Participate in Protecting Your Community *Join the Palm-Aire Civic Association*

PACA will continue to do whatever is necessary to best protect and enhance the general welfare of the unitowners and residents of the World of Palm-Aire! PACA will continue to maintain relationships with governmental departments, agencies and officials to obtain the services, facilities and benefits our community needs! PACA will continue to participate in election campaigns and provide guidance by interviewing candidates and recommending, regardless of party affiliation, those whose election would be most beneficial for the welfare of the Palm-Aire community! And PACA will continue to make recommendations concerning voting on referendum questions presented at elections!
